

A rich guy came up to Jesus.

Jesus!

I got a question for you!

Yeah?

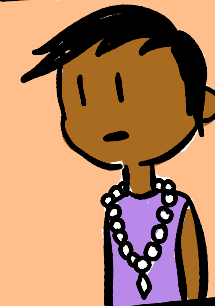

How do I get to heaven?

Follow the commandments.

Teacher, I've been doing that since I was a kid.

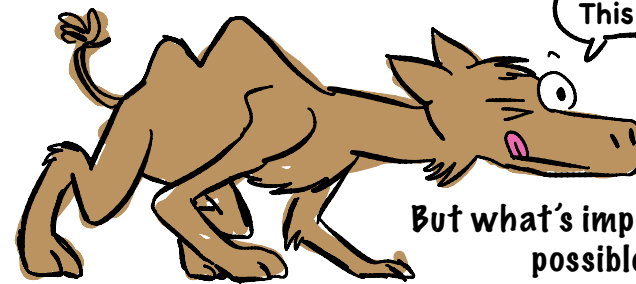

Well then leave behind your earthly possessions.

Aw man!

It's easier for a camel to get through the eye of a needle, than it is for a rich human to give up his stuff.

This is ridiculous.

But what's impossible with man is possible with God.
